Connect Your Device to The UCDC Wi-Fi

1. Select the Network icon on your device’s notification area then choose UCDC-STUDENT (for Students) or Washington Center (for Staff, Faculty & Tenants) in the drop-down then connect.

2. Open a browser and navigate to a page that you have NOT been to before (such as www.cisco.com or www.batman.com etc.) to trigger the redirect to the login page.

3. Sign in using your UCDC credentials (your temporary password should have been changed prior to your arrival).

4. Select NO at this window

5. Read the “Acceptable Use Policy” and click “Accept”.

6. At the device registration page, click “Start”

7. Enter your device name and description, click “Continue”.

8. You will then be redirected to the www.ucdc.edu home page and your device registration is complete.
